

Wakefly Earns Gold Partner Status with Kentico CMS

10/12/2009

Westborough, MA – The website development and marketing firm Wakefly recently announced its promotion to Kentico CMS Gold Partner. Kentico CMS is a user friendly, scalable and feature rich Content Management System that enables businesses and organizations to simply and easily publish relevant content on the web.

"We at Kentico are fully driven to deliver the most comprehensive, reliable and fully customizable web content management system," says Eric Webb. "Wakefly has proven itself a top expert for Kentico CMS implementation."

Those who specialize in implementing Kentico CMS may be Kentico Partners, Certified Partners or they may reach the highest level, Gold Partner. Wakefly has reached this distinction by proving its effectiveness in implementing Kentico CMS on several websites.

"I recommend the Kentico CMS to clients because it is highly customizable while still being incredibly easy to use. The system is designed for a broad array of users, giving us a high level of confidence that our clients will find the system effective and user-friendly," Says Jeetu Mahtani, an Account Manager at Wakefly.
